

Community Service Approved Site Letter
2012-2013 School Year

August 26, 2012

To Whom This May Concern:

_____ a student at Rowe-Clark Math & Science Academy the Exelon Campus of Noble Street Charter Schools, is interested in completing community service hours at your location. However, before this location can be approved we would need a description of the work he/she will be doing and the signature of the individual in charge of inspecting his/her work, this should be written on a letterhead specifying that it is for non-profit. If there is more than one supervisor, please provide all signatures. Sites where a relative of the student works will not be approved. This information should be faxed to 773.826.6936 attn: Mr. Deal. Once the site is approved for the specified student, his/her hours will start to count towards their requirement. If there are any questions please feel free to contact me at 773.242.2212 or ddeal@noblenetwork.org

Please include your contact information. Thank you for your time and effort.

All my best,

Dominique Deal

Community Service Coordinator
