Enrichment courses

Many students have signed up for enrichment courses. Make sure if you signed up for an enrichment course, and it is on your progress report, that you attend the course. Enrichment is a promotional requirement. Make sure you are completing these requirements.

Picture Day

School picture day will be happening on Monday 10/23 and Tuesday 10/24 in gym classes. Pictures are taken in the school uniform so there is no need to bring a change of clothes. Order forms have been given to advisors so if you are interested in ordering pictures, be sure to bring your form on Monday/Tuesday.

The Federal Every Student Succeeds Act (ESSA) requires school districts to inform parents of their “right to ask” for the educational qualifications of their children’s classroom teachers. Specifically, parents have a right to know:

If their child’s teachers have met state qualification and licensing criteria for the grade levels and subject areas they teach;

If their child’s teacher(s) are teaching under emergency or other provisional certificate status;

Undergraduate degree major of the teacher and any graduate degree they may hold;

Qualifications of any paraprofessionals providing services to their children;

If you wish for any or all of the information, please contact the main office. Please be aware that certificate and ESSA qualification data for teachers will not be available until the second semester. At that time, parents who requested the information can pick up the information from the school

If you have any additional questions, please contact the Principal.
