We are excited to announce that Rowe-Clark will be offering Drivers Education this winter. Our first class will begin on December 27th. It will run from 8am until 2pm (tentatively). The dates will be Dec. 27th, 28th, 29th and January 3rd and 4th. Student will earn enrichment for this course, as well as be sent over to ITW Speer to complete the "Behind the Wheel" portion upon receipt of their paper permit earned at Rowe Clark. We are taking 30 students (Juniors preferably, so they can still take SAT Night school in the Spring) for this pilot program. If we have good success, we will continue to offer it through this year, and in years to come.

If you are interested, please pick up an application in the main office beginning Thursday Dec. 14th. Applications are due no later than Wednesday Dec. 20th. We will inform you if you are selected by 2:00pm on Friday Dec. 22nd.

The cost of the program is \$75 for the classroom program, and \$100 for the Behind The Wheel portion. This cannot be put on the student account and must be paid for before the completion of the course.
