### Report Card Pick Up

Q1 ends on Friday October 27th. Report card pick up will be on Thursday Nov 2 4:30- 7 and Friday Nov. 3rd 7-4pm. Report card pick up is an important time to check in on promotional requirements and students progress in each of the promotional buckets. Please look for correspondence from your student's advisor in the coming week to schedule this important appointment.

### Facebook and Twitter

Rowe-Clark has increased our social media presence and will communicate important information, shoutouts and other Rowe-Clark related items. Please like/follow us @BeNobleRCMSA.

### Thanksgiving Dinner/Parent Advisory Meeting

The Rowe-Clark family will have the annual Thanksgiving dinner on Thursday Nov. 16th from 6pm until 7:30pm in the gym. Before the dinner there will be a Parent Advisory Committee meeting at 5:30 for all who would like to attend. The meeting will be in room 114 and we will all head over to dinner together. Look out for RSVP's to the dinner.

### Travel Abroad with Rowe-Clark

Interested in going to Europe over break spring? Find out more at our parent meeting, Tuesday, November 7th @ 5:30. This past summer, RCMSA students traveled to Greece, Italy, and Spain and LOVED their experience. In 2019, we'll be traveling to France, Germany, and Switzerland. Join us!!

### Calculator Giveaway

Rowe-Clark is blessed to have an amazing partnership with Exelon and ComEd. In addition to the number of internships, mentorship programs and financial support of our students, every year they give away graphing calculators to the entire freshmen class. These calculators give our students access to a form of technology that many don't receive until college. We thank Exelon and all of the people associated with this program for their dedication to the growth and mission of Rowe-Clark. Students will receive their graphing calculators on Friday 10/27, and will have access to them in class and during testing throughout their time at Rowe-Clark.

### Fall back.

Time changes this Sunday remember to sent your clocks one hour back. Enjoy your one extra hour of sleep!
